Booklet365

Booklet365 enables fitness and sports organizations to create and manage fitness schedules and communicate with customers easily using the Microsoft Office 365 Calendar, and enables members to make bookings easily, too.

Office 365 Calendar

To create and manage your organization's schedule in Office 365 Calendar, simply install the Booklet 365 Outlook Add-in from the Office Store, activate and register your organization, and get started managing your schedules.

Manage bookings easily

Whether you are a sport association, a fitness gym, or an independent teacher, Booklet365 simplifies the task of creating booking calendars and sharing them with your members or students. Create your schedule, share it, and you're ready to go!

Mobile apps for users

Our easy-to-use mobile apps empower your members or students to connect and view your schedule, to book gym passes, and register for events easily and conveniently. Our Booklet365 apps are available for free for both Android and iOS users.

WHAT OUR CUSTOMERS ARE SAYING

"The Booklet365 Outlook Add-in is easy to use with minimal administration. It's a good fit for managing bookings in smaller organizations." – Fredrik Hansson, CTO at YONYFY

KEY USE CASES

BUSINESS-CLASS EMAIL

Gain large, 50GB mailboxes with your own custom domain that can send messages up to 25MB in size, with contacts, shared calendars, and spam and malware protection. Available on PC, Mac, Windows Phone, iPhone, Android, and more.

CLOUD STORAGE

Get 1TB to store, back up, and share files, accessible from almost any device, and even offline.

MEET ONLINE

Hold scheduled or ad hoc online meetings for up to 250 participants, with screen sharing, audio and video, virtual whiteboards, polls, and shared notes. Anyone can participate through any HTML5 browser.

COLLABORATE, CHAT PRIVATELY

Set up a social network that helps your company stay connected, share information across teams, and make faster, more informed decisions.

SAVE YOUR COMPANY MONEY

Office 365 is available as a simple monthly subscription. Avoid large up-front costs for new software while moving the cost of IT from capital to operating expense. And without on-premises servers to run email, websites, and document storage, you can reduce energy costs and save by no longer purchasing new server hardware.

SCALE YOUR BUSINESS QUICKLY AND FLEXIBLY

Office 365 grows with you on the Microsoft Azure cloud. Adding a new user is as simple as buying an additional license, which allows access to business critical technology on up to five PCs/Macs and five mobile devices. Office 365 provides many plans to fit the right capability needs and price points for each user in your organization.

TECHNICAL SUPPORT

Your Office 365 subscription comes with 24/7 support from a global network of experts, with 1-hour response for critical, service-impacting events.

FINANCIALLY BACKED SLA

Get peace of mind knowing your services are available when you need them with a financially backed, 99.9% uptime service level agreement.

SIMPLIFIED IT MANAGEMENT

Reduce headaches by reducing your IT infrastructure. Content lives safely in globally distributed data centers with continuous backup and disaster recovery abilities.
